Amicor Pillow

With an easy-care poly-cotton cover, Amicor is combined with a superior loft hollow fiber filling to provide the synthetic duvets (right) with a truly luxurious feel and the 10.5 TOG rating makes this a duvet in which you can snuggle up for most nights, if not every night of the year.

The anti allergy pillows (left) contain the revolutionary intelligent fiber - Amicor, which protects against house dust mites and has been clinically proven to provide a healthy sleeping environment for allergy sufferers.
